EXPLANATORY STATEMENT

This Explanatory Statement has been prepared for the information of Shareholders in relation to the business to be conducted at the Company's 2014 annual general meeting.

The purpose of this Explanatory Statement is to provide Shareholders with all information known to the Company which is material to a decision on how to vote on the resolutions in the accompanying Notice.

This Explanatory Statement should be read in conjunction with the Notice. Capitalised terms in this Explanatory Statement are defined in the Glossary.

Financial statements and reports

In accordance with section 317 of the Corporations Act, Shareholders will be offered the opportunity to discuss the Annual Report, including the Financial Report, the Directors' Report and the Auditor's Report, for the financial year ended 30 June 2014.

There is no requirement for Shareholders to approve the Annual Report.

At the Meeting, Shareholders will be offered a reasonable opportunity to:

- (a) discuss the Annual Report which is available online from the Company's website www.middleisland.com.au;
- (b) ask questions about, or comment on, the management of the Company; and
- (c) ask the auditor questions about the conduct of the audit, the preparation and content of the Auditor's Report, accounting policies adopted by the Company in relation to the preparation of the financial statements and the independence of the auditor in relation to the conduct of the audit.

In addition to taking questions at the Meeting, written questions to the Company's auditor if the question is relevant to:

- (a) the content of the Auditor's Report; or
- (b) the conduct of the audit of the Annual Report to be considered at the AGM,

may be submitted no later than 5 business days before the Meeting to the Company Secretary at the Company's registered office (+61 8 9389 2111 or dw@dwcorporate.com.au).

Resolution 1 – Adoption of Remuneration Report

1.1 General

In accordance with subsection 250R(2) of the Corporations Act, the Company must put the Remuneration Report to the vote of Shareholders. The Directors' Report contains the Remuneration Report which sets out the remuneration policy for the Company and the remuneration arrangements in place for the Key Management Personnel.

In accordance with subsection 250R(3) of the Corporations Act, Resolution 1 is advisory only and does not bind the Directors. If Resolution 1 is not passed, the Directors will not be required to alter any of the arrangements in the Remuneration Report.

The *Corporations Amendment (Improving Accountability on Director and Executive Remuneration) Act 2011*, which came into effect on 1 July 2011, amended the Corporations Act to provide that Shareholders will have the opportunity to remove the whole Board (except the managing director) if the Remuneration Report receives a 'no' vote of 25% or more (**Strike**) at two consecutive AGMs.

Where a resolution on the Remuneration Report receives a Strike at two consecutive AGMs, the Company will be required to put to Shareholders at the second AGM a resolution on whether another meeting should be held (within 90 days) at which all Directors (other than the managing director) who were in office at the date of approval of the applicable Directors' Report must stand for re-election.

The Company's Remuneration Report did not receive a Strike at the 2013 annual general meeting. If the Remuneration Report receives a Strike at this Meeting, Shareholders should be aware that if a second Strike is received at the 2015 annual general meeting, this may result in the re-election of the Board.

The Chairman will allow a reasonable opportunity for Shareholders as a whole to ask about, or make comments, on the Remuneration Report.

1.2 Voting on the Remuneration Report

In accordance with the Corporations Act, a vote on this Resolution must not be cast (in any capacity) by or on behalf of either the following persons:

- (a) a member of the Key Management Personnel, details of whose remuneration are included in the Remuneration Report; or
- (b) a Closely Related Party of such a member.

However, a person (the **voter**) described above may cast a vote on this Resolution as a proxy if the vote is not cast on behalf of a person described above and either:

- (a) the voter is appointed as a proxy by writing that specifies how the proxy is to vote on this Resolution; or
- (b) the voter is the Chairman and the appointment of the Chairman as proxy:
 - (i) does not specify the way the proxy is to vote on this Resolution; and
 - (ii) expressly authorises the Chairman to exercise the proxy even though the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

The Chairman intends to exercise all undirected proxies in favour of Resolution 1.

If the Chairman is appointed as your proxy and you have not specified the way the Chairman is to vote on Resolution 1, by signing and returning the Proxy Form, you are considered to have provided the Chairman with an express authorisation for the Chairman to vote the proxy in accordance with the Chairman's intention (being to vote in favour of Resolution 1), even though the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel of the Company.

Resolution 2 – Re-election of Beau Nicholls as a Director

2.1 General

Beau Nicholls was appointed as a Director on 30 April 2010 and changed to a Non-Executive Director on 1 February 2014.

In accordance with Listing Rule 14.4, no director of a company may hold office (without re-election) past the third AGM following the director's appointment or three years, whichever period is longer. The Company's Constitution also requires that one third of the Company's Directors must retire at each AGM.

These requirements for a Director to retire do not apply to a managing director.

Accordingly, Beau Nicholls will retire by rotation at this Meeting and, being eligible, offers himself for re-election.

Resolution 2 is an ordinary resolution, requiring it to be passed by a simple majority of votes cast by the Shareholders entitled to vote on it.

2.2 Director's Biography

Beau Nicholls has 20 years in mining and exploration geology, ranging from grass roots exploration management through to mine production environments. With a proven track record on four continents (Australia, Eastern Europe, Africa and the Americas) and in over 20 countries, Beau has been instrumental in the discovery and/or development of a number of world class deposits, variously located in Western Australia, Romania, Bulgaria, Senegal, Burkina Faso, Ghana, Guinea and Sierra Leone.

Beau has over 10 years international consulting experience with RSG/RSG Global and Coffey Mining, including serving in the positions of Regional Manager - West Africa, based in Accra Ghana, and most recently as Geology Manager – Brazil, based in Belo Horizonte.

Beau is a graduate of the Western Australian School of Mines in Kalgoorlie, holds an unrestricted Quarry Managers permit for Western Australia and has an Advanced Diploma in Business Management from the Australian Institute of Management.

2.3 Directors' Recommendation

All the Directors, except Mr Nicholls, who has an interest in this Resolution, recommend that Shareholders vote in favour of Resolution 2.

The Chairman intends to exercise all undirected proxies in favour of Resolution 2.

Resolution 3 - Approval of proportional takeover provisions

3.1 General

Resolution 3, if passed, would adopt Schedule 5 of the Constitution regarding proportional takeover approval under section 648D of the Corporations Act. The adoption of Schedule 5 would operate for three years, and would then cease to apply unless renewed by a further special resolution of Shareholders. Schedule 5 was previously adopted by Shareholders on 12 September 2010 when the current Constitution was adopted.

If Resolution 3 is passed, then for 21 days after the meeting the holders of 10% of the Company's Shares have the right to apply to the court to have the Resolution set aside. The court may set aside the Resolution if the court is satisfied in all the circumstances that it is appropriate to do so.

The Corporations Act requires certain information to be included in a notice of meeting where a company seeks the approval of its members to adopt proportional takeover provisions. This information is set out below.

3.2 Proportional takeover bid

A proportional takeover bid is a takeover bid that is sent to all shareholders in a class, offering to purchase only a specified proportion of each shareholder's shares. If a shareholder accepts, the shareholder disposes of that specified portion and retains the balance.

3.3 Effects of the proportional takeover provisions

The effects of the proportional takeover provisions are that:

- (a) if a bidder makes a proportional takeover bid for any class of shares in the Company, the Directors must ensure that a meeting of members of that class is convened where a resolution to approve the proportional takeover bid is voted upon. The vote is decided on a simple majority. The bidder and its associates are excluded from voting on that approving resolution;
- (b) the meeting and the vote on the approving resolution must take place more than 14 days before the last day of the bid period;
- (c) if the approving resolution is rejected before the deadline, the bid cannot proceed and the offer will be taken to have been withdrawn. Any transfers giving effect to takeover contracts for the bid will not be registered and all offers under the takeover bid are taken to be withdrawn and all takeover contracts must be rescinded;
- (d) if the approving resolution is not voted on, the bid will be taken to have been approved; and
- (e) if the approving resolution is passed (or taken to have been approved), the transfers must be registered (subject to other provisions of the Corporations Act and the Company's Constitution). The proportional takeover provisions do not apply to full takeover bids.

3.4 Reasons for the proportional takeover provisions

A proportional takeover bid may result in control of the Company changing without Shareholders having an opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of not being able to exit their investment in the Company by selling their entire Shareholding and consequently being left as a minority in the Company. The bidder may be able to acquire control of the Company without payment of an adequate control premium.

The Board believes that the provisions are desirable to give Shareholders protection from these risks inherent in proportional takeover bids – this is protection that the Corporations Act provisions are intended to provide.

These provisions allow Shareholders to decide whether a proportional takeover bid is acceptable in principle, and assist in ensuring that any proportional takeover bid is appropriately priced.

To assess the merits of the proportional takeover provisions, Shareholders should make a judgement as to what events are likely to occur for the Company during the 3 year life of proposed Schedule 5.

3.5 Potential advantages and disadvantages

The Directors consider that the proportional takeover provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether or not an offer under a proportional takeover bid should be accepted.

The Directors note that it could be argued that proposed Schedule 5 is an advantage to them as a takeover defence mechanism that could be exploited to entrench the incumbent Board. However, the Directors believe that this argument ignores the basic object of Schedule 5, which is to empower Shareholders, not the Board.

The potential advantages for Shareholders of the proportional takeover provisions include the following:

- (a) Shareholders have the right to decide by majority vote whether an offer under a proportional takeover bid should proceed;
- (b) they may assist Shareholders and protect them from being locked in as a minority;
- (c) they increase the bargaining power of Shareholders and may assist in ensuring that any proportional takeover bid is adequately priced; and
- (d) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders and assist in deciding whether to accept or reject an offer under a proportional takeover bid.

The potential disadvantages for Shareholders include the following:

- (a) proportional takeover bids for Shares in the Company may be discouraged;
- (b) Shareholders may lose an opportunity to sell some of their Shares at a premium;
- (c) individual Shareholders may consider that Schedule 5 would restrict their ability to deal with their Shares as they see fit; and
- (d) the likelihood of a proportional takeover bid succeeding may be reduced.

3.6 Knowledge of any acquisition proposals

Apart from the above general considerations, the Board is not in a position to point to any special factual matters or principles as a basis for the proposal.

3.7 Directors' recommendation

The Board believes that the provisions of Schedule 5 of the Constitution are in the best interests of the Company and its Shareholders and unanimously recommends that Shareholders vote in favour of Resolution 3.

Resolution 4 – Approval of 10% Placement Facility

4.1 General

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued share capital through placements over a 12 month period after the AGM (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

The Company is now seeking Shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility. The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 4.2(c) below).

4.2 Description of Listing Rule 7.1A

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an AGM.

(b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of the Notice, has on issue eight classes of Equity Securities, being listed Shares and seven classes of unlisted options.

(c) Formula for calculating 10% Placement Facility

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an AGM may issue or agree to issue, during the 12 month period after the date of the AGM, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

- A** is the number of shares on issue 12 months before the date of issue or agreement:
- (i) plus the number of fully paid shares issued in the 12 months under an exception in Listing Rule 7.2;
 - (ii) plus the number of partly paid shares that became fully paid in the 12 months;
 - (iii) plus the number of fully paid shares issued in the 12 months with Shareholder approval under Listing Rule 7.1 and 7.4. This does not include an issue of fully paid shares under the entity's 15% placement capacity without Shareholder approval;
 - (iv) less the number of fully paid shares cancelled in the 12 months.

D is 10%.

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under Listing Rule 7.1 or 7.4.

(d) *Listing Rule 7.1 and Listing Rule 7.1A*

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

At the date of this Notice, the Company has on issue 124,987,349 Shares and therefore has a capacity to issue:

- (i) 16,948,102 Equity Securities under Listing Rule 7.1; and
- (ii) subject to Shareholder approval being sought under Resolution 4, 12,498,734 Equity Securities under Listing Rule 7.1A.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of any relevant issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 4.2(c) above).

(e) *Minimum Issue Price*

The issue price of Equity Securities issued under Listing Rule 7.1A must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days (on which trades in that class were recorded) immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(f) *10% Placement Period*

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the AGM at which the approval is obtained and expires on the earlier to occur of:

- (i) the date that is 12 months after the date of the AGM at which the approval is obtained; or
- (ii) the date of the approval by shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

or such longer period if allowed by ASX (**10% Placement Period**).

4.3 Listing Rule 7.1A

The effect of Resolution 4 will be to allow the Directors to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under Listing Rule 7.1.

4.4 Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- (a) The Equity Securities will, if issued, be issued at a price of not less than 75% of the VWAP for the Company's Equity Securities over the 15 Trading Days (on which trades in that class were recorded) immediately before:
 - (i) the date on which the price at which the Equity Securities are to be issued is agreed; or

MIDDLE ISLAND RESOURCES LIMITED

Notice of Annual General Meeting 24 November 2014

- (ii) if the Equity Securities are not issued within 5 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (b) If Resolution 4 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table (in the case of Convertible Securities, only if the Convertible Securities are converted into Shares). There is a risk that:
- (i) the market price for the Company's Equity Securities may be significantly lower on the date for determining the issue price of the relevant issue of the Equity Securities than on the date of the Meeting; and
- (ii) the Equity Securities may be issued (A) at a price that is at a discount to the market price for the Company's Equity Securities on the issue date or (B) as part of consideration for the acquisition of a new asset,

which may have an adverse (relative to any anticipated) effect on the amount of funds raised by the issue of the Equity Securities.

The table below shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice.

The table shows:

- (i) two examples of the effect of Variable "A" being increased, one where variable "A" has increased by 50% and the other where Variable "A" has increased by 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer), or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (ii) two examples of the effect of differing issue prices, one being where the issue price of ordinary securities is decreased by 50% and the other where the issue price is increased by 100% as against the current market price.

Variable "A" in Listing Rule 7.1A.2		Dilution		
		\$0.008 50% decrease in Issue Price	\$0.016 Issue Price	\$0.032 100% increase in Issue Price
Current Variable A 124,987,349 Shares	10% voting dilution	12,498,734 Shares		
	Funds raised	\$99,990	\$199,980	\$399,959
50% increase in current Variable A 187,481,024 Shares	10% voting dilution	18,748,102 Shares		
	Funds raised	\$149,985	\$299,970	\$599,939
100% increase in current Variable A 249,974,698 Shares	10% voting dilution	24,997,469 Shares		
	Funds raised	\$199,980	\$399,960	\$799,919

The table has been prepared on the following assumptions:

- (i) The Company issues, in a single allotment, the maximum number of Equity Securities available under the 10% Placement Facility.
- (ii) No Convertible Securities (including any Convertible Securities issued under the 10% Placement Facility) are converted into Shares before the date of the issue of the Equity Securities.
- (iii) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.

MIDDLE ISLAND RESOURCES LIMITED

Notice of Annual General Meeting 24 November 2014

- (iv) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of this Meeting.
 - (v) The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
 - (vi) The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes Convertible Securities, it is assumed that those Convertible Securities are converted into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
 - (vii) The issue price is \$0.016 being the closing price of Shares on the ASX on 6 October 2014.
- (c) The Company will only issue and allot the Equity Securities during the 10% Placement Period. The approval under Resolution 4 for the issue of the Equity Securities will cease to be valid in the event that Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or Listing Rule 11.2 (disposal of main undertaking).
- (d) The Company may seek to issue the Equity Securities for the following purposes:
- (i) for cash consideration, in which case the Company may use the funds raised towards making (or to securing the right to make) one or more acquisitions and/or to further its existing projects; and/or general working capital; so that the Company has the necessary working capital and flexibility to consider, and if thought fit, to put it in a stronger position to make (or to secure the right to make) one or more acquisitions and/or to further its existing projects; or
 - (ii) non-cash consideration in relation to costs associated with the acquisition of new assets and investments. In such circumstances the Company will provide a valuation of the non-cash consideration as required by Listing Rule 7.1A.3.

ANNEXURE A

TERMS AND CONDITIONS OF OPTIONS – PERFORMANCE OPTIONS

1. Entitlement

- (a) Subject to option terms 2, 8 and 9, each option entitles the registered option holder to subscribe for and be allotted one ordinary share in the capital of Middle Island Resources Ltd (**Company**), credited as fully paid, at the Exercise Price.
- (b) The Company must, as soon as it is reasonably practicable to do so, allot shares on exercise of the Option in accordance with the listing rules (**Listing Rules**) of ASX Limited (**ASX**) and register the Option holder or its nominee as a shareholder in the register of members in respect of the shares so allotted. No Option may be exercised if to do so would contravene the Corporations Law 2001 (Cth) or the Listing Rules.
- (c) Shares issued on the exercise of Options will rank pari passu with all existing ordinary shares in the capital of the Company from the date of issue.

2. Vesting and Vesting Dates

- (a) One third of the Options vest immediately upon issue.
- (b) One third of Options vest after second performance review.
- (c) One third of Options vest after third performance review.

3. Exercise of Options

- (a) The exercise price of the Options is AUD as follows:
 - One third of (vesting immediately) at \$0.10
 - One third of (vesting after second performance review) at \$0.15
 - One third of (vesting after third performance review) at \$0.20**(Exercise Price)**
- (b) Subject to option terms 2 above, an Option is exercisable by the registered Option holder lodging the notice of exercise of Option together with, subject to option terms 8 and 9, the Exercise Price and the relevant Option certificate, at any office of the Company's share registrar. The notice of exercise of Options must state the number of Options exercised and the consequent number of ordinary shares in the capital of the Company to be allotted; which number of Options must be a multiple of 50,000 if only part of the Option holder's total Options are exercised, or if the total number of Options held by an Option holder is less than 50,000, then the total of all Options held by that Option holder must be exercised. The exercise of some Options only does not affect the registered Option holder's right to exercise other Options at a later time.
- (c) Remittances must be made payable to the Company and cheques should be crossed "not negotiable".
- (d) Each Option will lapse on the earliest to occur of 5.00 pm on 24 April 2017 and one calendar month following the date the holder ceases to be an employee of the Company.

4. Transfer

- (a) Subject to this option term 4 and any restrictions imposed by ASX, options may at any time be transferred with the prior written approval of the Board at any time before lapsing.
- (b) Subject to this option term 4, options are transferable by any standard form of transfer. Executed and stamped transfers will be recorded in the Company's Option register on lodgement of the transfer and relevant certificate at any office of the Company's share registrar. The Company will cancel the certificate and issue a new certificate in the name of the transferee for the number of Options so transferred.

5. Option certificates

- (a) No exercise or transfer of an Option represented by an Option certificate may be registered until that certificate is surrendered to the Company or the option holder provides the Company with a statutory declaration, in a form satisfactory to the Company, to the effect that the certificate has been lost or destroyed and indemnifies the Company against any loss or damage if the original certificate is found.
- (b) If the Option holder exercises or transfers less than all Options represented by a certificate then the Company will cancel the certificate and issue a new certificate for the balance.

6. Quotation

The Company does not intend to seek quotation of the options on ASX but it reserves the right to do so. The Company must apply to the ASX for official quotation of the shares issued on any exercise of an option.

7. Dividends

Shares issued on any exercise of Options will rank pari passu with all existing ordinary shares in the capital of the Company from the date of issue and will be entitled to each dividend for which the books closing date for determining entitlements falls after the date of issue.

8. Rights issue

If the Company makes an offer of ordinary shares pro rata to all or substantially all holders of ordinary shares (other than a bonus issue or an issue in lieu or in satisfaction of dividends or by way of dividend reinvestment) where (S + D) (as defined below) exceeds P (as defined below) at a time when:

- (a) an Option has not been exercised in full; or
- (b) the Option has been exercised, but shares the subject of the exercise have not been issued in fulfilment of the Company's obligation in that regard, before the record date for determining entitlements to the rights issue.

then the Exercise Price per share will be reduced according to the following formula:

$$O^1 = \frac{O - E(P - S + D)}{N + 1}$$

Where:

- O¹ = the new Exercise Price per share
- O = the old Exercise Price per share
- E = the number of shares into which one option is exercisable
- P = the average market price of fully paid ordinary shares (weighted by reference to volume) sold in the ordinary course of trading on the ASX during the 5 trading days before the ex rights date or ex entitlements date
- S = the subscription price (application money plus calls) for new shares issued under the rights issue
- D = if the ordinary shares are trading on the ASX on a ex dividend basis, the (if any) dividends (on a per share basis) which have been declared but not yet paid is existing shares (except those to be issued under the rights issue)
- N = number of shares required to be held to receive a right on one new share.

The number of shares which the option holder is entitled to subscribe for on exercise of the option is to remain unchanged.

9. Reconstruction

The rights of an option holder will be changed to the extent necessary to comply with the Listing Rules applying to a reorganisation of capital at the time of the reorganisation.

10. Advice

The Company must give notice to the Option holder of any adjustment to the number of shares which the Option holder is entitled to subscribe for or be issued on exercise of the Option or the exercise price per share in accordance with the Listing Rules.

11. Right to participate in future issues

The Option holder may only participate in new issues of securities to holders of shares to the extent the Option has been exercised, if that is permitted by its terms, and the shares allotted in respect of the Option before the record date for determining entitlements to the issue. The Company must give notice to the Option holder of any new issue before the books closing date for determining entitlements to the issue in accordance with the Listing Rules.
