In general terms, section 708AA relates to rights issues by certain companies that do not require the provision of a prospectus or other disclosure document. Accordingly, the level of disclosure in this Offer Memorandum is considerably less than the level of disclosure required in a prospectus and does not contain all of the information which an investor may require to make an informed investment decision.

In deciding whether or not to accept the Offer, your directors strongly recommend you refer to disclosures made by the Company to ASX (which are available for inspection on the ASX website at www.asx.com.au and on the Company's website at <http://www.middleisland.com.au>) and, if you have any doubts about your ability to assess the Company, its state of affairs, prospects or the effect of the Offer thereon, that you seek the advice of your professional adviser.

Any forward looking statements in this Offer Memorandum have been based on current expectations about future acts, events and circumstances. Any such statements are subject to risks, uncertainties and assumptions that could cause those acts, events and circumstances to differ materially from the expectations described in such statements. These factors include, among other things, commercial and other risks associated with the meeting of objectives and other investment considerations, as well as other matters not yet known to the Company or not currently considered material by the Company or which are insufficiently uncertain to be of a character requiring disclosure under the statutory continuous disclosure regime.

The distribution of this Offer Memorandum within jurisdictions outside Australia and New Zealand may be restricted by law and persons into whose possession this Offer Memorandum comes should inform themselves about and observe any such restrictions. CHAIRMAN'S LETTER

Dear Eligible Shareholder,

On behalf of the Directors of Middle Island Resources Limited, I present this Offer Memorandum to invite you to participate in a non-renounceable rights issue to raise approximately A\$1.396 million (before costs and expenses).

The rights issue offers you the right to take up one New Share for every two Shares you hold as at 5:00pm AWST on 26 November 2018 at an issue price of \$0.004 per New Share.

The Directors of the Company have confirmed that they fully intend to participate in the Offer by taking 100% of their entitlement. Collectively, the Directors have relevant interests in approximately 11% of the total shares on issue.

The proceeds of the Offer will be used to continue advancing the Sandstone Project by specifically completing work on the Two Mile Hill tonalite deeps deposit, drilling other nearby gravity targets, updating the resource estimate and pit optimisation for the Wirraminna deposit, other greenfields exploration on the original and recently acquired Sandstone tenements, continuing to explore consolidation opportunities and for working capital purposes. In allocating the funds, the Company's primary focus will be directed at securing access to sufficient ore of sufficient grade to justify the early recommissioning of the Company's 100% owned plant at Sandstone.

On behalf of the Directors I am pleased to offer Eligible Shareholders the opportunity to participate in this Offer. All too often shareholders are denied the opportunity to participate in capital raisings due to the complexities and delays inbuilt by the law. Your Company needs your support and, accordingly, when your board determined to undertake a rights issue it resolved to strike an attractive offer price to encourage participation. You are encouraged to read this Offer Memorandum and the accompanying Application Form fully. If you have any questions about the Offer, you should consult your stockbroker or other professional adviser.

On behalf of the Directors, I thank you for your ongoing support. Rest assured that despite the terrible state of the market, your board continues to strive to produce a company changing result.

Yours faithfully

SECTION 1: DETAILS OF THE OFFER

1. Offer

Middle Island Resources Limited offers each of its Eligible Shareholders the opportunity to subscribe for New Shares under a pro-rata non-renounceable rights issue.

Each Eligible Shareholder is entitled to subscribe for and be allotted one (1) New Share for every two (2) Shares held by that Eligible Shareholder as at the Record Date at an issue price of A\$0.004 per New Share.

The issue price of the New Shares represents a discount of approximately 63.4% to the volume weighted average price of Shares on the 30 trading days up to and including 20 November 2018 (being the trading day prior to announcement of the Offer).

If an Eligible Shareholder becomes entitled to a fraction of a Share, the entitlement will be rounded up to the nearest whole number.

The New Shares will be fully paid and will rank equally in all respects with the Company's existing Shares on issue. The Company has applied to ASX for quotation of the New Shares.

2. What is my entitlement?

The number of New Shares to which you are entitled is shown in the accompanying Application Form (**Entitlement**). You can subscribe for all, or part, of your Entitlement to New Shares. Detailed instructions on how to accept all or part of your Entitlement are set out in Section 3.

Please note that if you choose not to accept (in whole or part) your Entitlement under the Offer, your shareholding in the Company will be diluted if the Offer is taken up by other Shareholders.

3. Shortfall Shares

In addition to being able to apply for New Shares in the manner described in paragraph 2 above, Shareholders who subscribe for their full Entitlement will also have the opportunity to apply for, and be allocated, additional New Shares that are not subscribed for under the Offer (Shortfall Shares), subject to the limitations set out in Section 4.

4. Opening and closing dates

The Offer opens for receipt of acceptances on 29 November 2018. The Closing Date and time for acceptances and payments is 5:00pm AWST on Friday, 14 December 2018, subject to the Directors determining to vary the closing date.

5. Who is entitled to participate in the Offer?

Each Shareholder with a registered address in Australia or New Zealand who is registered as the holder of Shares at 5:00pm AWST on 26 November 2018 is entitled to participate in the Offer in respect of the number of Shares that person is then registered as the holder of.

Existing option holders may only participate in the Offer in respect of Shares to be issued on exercise of the options held by them if they exercise their options and are registered as the holder of the underlying Shares before the Record Date.

6. Offer not made to Excluded Shareholders

The Company has decided that it is unreasonable to make the Offer to shareholders who have a registered address in a country outside of Australia or New Zealand having regard to the number of shareholders in such places, the number and value of the New Shares they would be offered and the substantial costs of complying with the legal and regulatory requirements in those jurisdictions. Accordingly, the New Shares to which Excluded Shareholders would otherwise be entitled will form part of the Shortfall.

Eligible Shareholders holding Shares on behalf of persons who are resident outside of Australia or New Zealand are responsible for ensuring that subscribing for the New Shares under the Offer does not breach regulations in the relevant overseas jurisdiction. Return of a duly completed Application Form will constitute a representation that there has been no breach of such regulations. Where the Offer Memorandum is received by persons domiciled in a country outside Australia or New Zealand and where that country's securities code or legislation prohibits or restricts in any way the making of the Offer, the Offer Memorandum and accompanying Application Form are provided for information purposes only.

7. Effect on share capital

The effect of the Offer on the capital structure of the Company will be as follows:

Shares	Number
Number on issue at 20 November 2018 (the last trading day prior to announcement of the Offer)	697,901,437
Maximum number to be issued under the Offer	348,950,719
Maximum number on issue following the Offer	1,046,852,156

The figures in the table above are approximate as individual Entitlements will be rounded up to the nearest whole figure.

There are 30,000,000 unlisted options to subscribe for Shares currently on issue. If any of these options are exercised prior to the Record Date this will also impact the maximum number of New Shares to be issued under the Offer and the maximum number of Shares on issue following the Offer.

8. Non-Renounceable Offer

The Offer is non-renounceable. This means that your right to subscribe for New Shares under the Offer is not transferable. Any Entitlements not taken up by Shareholders will be dealt with in accordance with Section 4 of this Offer Memorandum.

9. Directors' intentions

The Directors (and their associates) intend to accept their pro rata entitlements. A summary of the Directors (and their associates) current shareholdings and maximum effect of their full entitlements are summarised below:

Director	Current Holding	Entitlement Number of Shares	Entitlement \$	Holding Post Offer
Rick Yeates	48,964,162	24,482,081	\$97,928	73,446,243
Peter Thomas	13,190,000	6,595,000	\$26,380	19,785,000
Beau Nicholls	14,050,000	7,025,000	\$28,100	21,075,000
TOTAL	76,204,162	38,102,081	\$152,408	114,306,243

As at the date of this Offer Memorandum, the Directors (and their associates), hold 76,204,162 Shares, comprising approximately 10.92% of the Shares in the Company. The Directors (and their associates), will have an Entitlement to 38,102,081 New Shares under the Offer in their capacity as Eligible Shareholders under the Offer.

10. Effect on Control of the Company

The Directors (and their associates) are related parties for the purpose of the Corporations Act. The Directors (and their associates) present relevant interests and changes under several scenarios are set out in the table below which are based on the assumption that Directors apply for their full entitlement.

Event	Shares held by Directors and Associates	Voting power of Directors and Associates
Date of Offer	76,204,162	10.92%
Completion of Entitlements Issue		
Fully Subscribed	114,306,243	10.92%
75% Subscribed	114,306,243	11.79%
50% Subscribed	114,306,243	12.82%
25% Subscribed	114,306,243	14.05%
0% Subscribed other than by directors	114,306,243	15.53%

The number of Shares held by the Directors (and their associates) and their voting power in the table above show the potential effect of the Offer. It is unlikely that no Shareholders will take up Entitlements under the Offer.

11. Potential Dilution

In addition, Shareholders should note that if they do not participate in the Offer, their holdings are likely to be diluted by approximately 33% (as compared to their holdings and number of Shares on issue as at the date of this Offer). Examples of how the dilution may impact Shareholders is set out in the table below:

Holder	Holding as at Record Date	% at Record Date	Entitlements under the Offer	Holding if Offer not take up	% post Offer
Shareholder 1	60,000,000	8.60%	30,000,000	60,000,000	5.73%
Shareholder 2	30,000,000	4.30%	15,000,000	30,000,000	2.87%
Shareholder 3	18,000,000	2.58%	9,000,000	18,000,000	1.72%
Shareholder 4	9,000,000	1.29%	4,500,000	9,000,000	0.86%
Shareholder 5	3,000,000	0.43%	1,500,000	3,000,000	0.29%

Note:

1. The dilutionary effect shown in the table is the maximum percentage on the assumption that those Entitlements not accepted are placed under the Shortfall Offer. In the event the Entitlements are not accepted and some or all of the resulting Shortfall was not subsequently placed, the dilution effect for each Shareholder not accepting their Entitlement would be a lesser percentage.

12. Issue of New Shares

The Company expects that the New Shares will be issued by no later than 19 December 2018. The issue of New Shares will only be made after permission for their quotation on ASX has been granted.

SECTION 2: PURPOSE OF THE OFFER

Proceeds from the Offer will be applied to the costs of the Offer, ongoing working capital requirements and as detailed in Table 1 below. The Directors reserve their discretion in respect of this.

Application monies received but not applied towards subscriptions for Shortfall Shares will be refunded as soon as practicable. No interest will be paid on application monies held and returned.

Notwithstanding the foregoing, any application for full Entitlement and Shortfall Shares together with cleared funds in support received on or before the Offer Closing Date will be dealt with as follows (subject to the Offer not being withdrawn):

1. the applicant will be allocated the full Entitlement; and
2. the applicant will be allocated Shortfall Shares at the discretion of the Directors.

5. Binding nature of applications

Cooling-off rights do not apply to an investment in New Shares. You cannot, except as permitted by law, withdraw your application for New Shares once it has been received. A completed and lodged Application Form constitutes a binding offer to acquire New Shares on the terms and conditions set out in this Offer Memorandum and, once lodged, cannot be withdrawn. If the Application Form is not completed correctly, it may still be treated as a valid application for New Shares. The Directors' decision whether to treat an acceptance as valid and how to construe, amend or complete the Application Form is final.

6. Declarations

By completing and returning your Application Form along with your cheques, bank draft or making a payment by EFT, you will be deemed to have:

- (a) represented and warranted that you are an Eligible Shareholder;

SECTION 4: SHORTFALL SHARES

Shortfall Shares will only be issued if the Offer is undersubscribed and will only be issued to the extent necessary to make up any shortfall in subscriptions.

The Directors reserve the right to issue Shortfall Shares to applicants at their absolute discretion.

If the Company receives applications for Shortfall Shares that would result in the Offer being oversubscribed then the Company will not accept such oversubscriptions and will reject or scale back applications at its discretion.

Any Shortfall Shares will, in accordance with the Listing Rules, be issued within 3 months after the Closing Date and will be issued at a price that is not less than the issue price of the New Shares under the Offer.

The Company will not issue Shortfall Shares where it is aware that to do so would result in a breach of the Corporations Act, the Listing Rules or any other relevant legislation or law. Eligible Shareholders wishing to apply for Shortfall Shares must consider whether the issue of the Shortfall Shares applied for would breach the Corporations Act or the Listing Rules having regard to their own circumstances.

The Directors reserve the right to reject any application for Shortfall Shares or to allot a lesser number of Shortfall Shares than applied for. Application monies received but not applied towards subscriptions for Shortfall Shares will be refunded as soon as practicable. No interest will be paid on application monies held and returned.

ASX ANNOUNCEMENT – 21 November 2018
Entitlement Offer Cleansing Notice
under section 708AA(2)(f) Corporations Act (Notice)

Middle Island Resources Limited (**MDI**) has announced today that it will undertake a non-renounceable entitlement offer of 348,950,719 fully paid ordinary MDI shares to its shareholders (**Issue**) on the basis of an entitlement to subscribe for 1 ordinary MDI share (**New Share**) for every 2 ordinary MDI shares held at the Record Date, being 26 November 2018, with each such share being issued at an issue price of \$0.004 to raise approximately \$1.396 million (before costs) (**Offer**).

This notice is given under section 708AA(2)(f) of the Corporations Act 2001 (Cth) (**Corporations Act**) (as notionally modified by ASIC Corporations (**Non-Traditional Rights Issue**) Instrument 2016/84) (**ASIC Instrument 2016/84**). Where applicable, references in this notice to the Act are to those sections as modified by ASIC Instrument 2016/84.

Further details regarding the Offer are set out in the Offer Memorandum lodged with ASX.

For the purposes of section 708AA(7) of the Corporations Act, MDI advises:

- (a) the New Shares will be offered for issue without disclosure under Chapter 6D of the Corporations Act;
- (b) this Notice is given under section 708AA(2)(f) of the Corporations Act as notionally modified by ASIC Instrument 2016/84;
- (c) as at the date of this Notice, MDI has complied with the provisions of:
 - (i) Chapter 2M of the Corporations Act as they apply to MDI; and
 - (ii) section 674 of the Corporations Act,
- (d) as at the date of this Notice, there is no excluded information of the type referred to in section 708AA(8) and 708AA(9) of the Corporations Act; and
- (e) information regarding the potential effect of the issue of New Shares pursuant to the Offer on the control of MDI, and the consequences of that effect is set out below.

Further details regarding the Offer are set out in the Offer Memorandum.

Effect of the Offer on control

It is not possible to predict the effect of the Offer on the control of MDI. There are a number of possible outcomes that may arise which will, largely, depend on the extent to which Eligible Shareholders take up their rights (**Rights**). If all Eligible Shareholders take up their Rights, each Eligible Shareholder's percentage ownership interest (and voting power) in MDI will remain the same with no effect on the control of MDI.

To the extent that any Eligible Shareholder fails to take up their Rights, that Eligible Shareholder's percentage holdings in MDI will be diluted by those other Eligible Shareholders who take up some, all, or more than their Rights.

Having regard to the composition of MDI's share register and the terms of the Offer, MDI does not believe that any person will increase their voting power in MDI pursuant to the Offer in a way that will have any material impact on the control of MDI.

Yours sincerely

Rick Yeates
Managing Director
